

The power of connected minds

Category Buyer Logistics Services (m/f)

We are the world's leading chemical company because we offer intelligent solutions for our customers and for a sustainable future. We connect and develop people with diverse talents all over the world. For you, this means a variety of ways to advance. Not only your performance but also your personality matter to us, without regard to gender, age, origin, sexual orientation, disability or belief. At BASF, careers develop from opportunities.

Ludwigshafen is the world's largest integrated chemical complex and home to BASF Group headquarters. Located in the heart of Europe's Rhine-Neckar metropolitan region, you will find this to be an attractive place for both work and leisure time.

What you can expect

In the position of Category Buyer for Logistics Services, you will be involved in developing and implementing the purchasing strategy for your category.

- o You will prepare for negotiations and implement them independently.
- o Negotiated contracts will be implemented and monitored by you.
- o You will assume responsibility for managing projects or will participate in projects.
- o In close cooperation with the internal business partners you will develop supply concepts and act as a reliable contact person for all issues concerning the category.
- o Constantly developing the supplier base and working on concepts for risk management is part of your duties.

What we expect

- o After having obtained a degree in business and economics or a comparable discipline you were able to gain several years of experience in logistics.
- o In the process, you have acquired extensive knowledge and skills in the areas of procurement management, purchasing processes and purchasing guidelines.
- o You are a proficient user of the MS Office products, especially Excel, and you ideally have knowledge of Access and SAP.
- o In order to realize savings potential for BASF you use your highly developed negotiation skills, are able to analyze complex issues and are willing to travel on business.
- o Your excellent communication and language skills allow you to cooperate confidently with the purchasing team, internal business partners and suppliers on an international level.
