Full Time

📍 Heidenheim an der Brenz, Deutschland

📄 With Professional Experience 12/17/19

At **HARTMANN** you get to make a difference. Our healthcare products and solutions make an impact in millions of people's lives around the world on a daily basis – in hospitals, in clinics, and at home. We believe that health can empower people to make a positive difference in the world, and this is something worth going further for.

Your area of responsibility:

- Category Management for Direct Procurement
- For the area Wound Care (foam, medical foil, chemicals)
- Define global category strategy incl. internal stakeholder and supplier strategy
- Supply market research and supplier selection
- (Strategic) Supplier Relationship Management
- Strategic Sourcing and cost measures (e.g. Design to Cost as part of new product development and launches)
- Negotiate and settle contracts with suppliers globally according to MDR (Medical Device Regulation)
- Continuously improve global categories and align global category team
- Escalation and risk management in regard to suppliers and raw material

What we look for:

- Bachelor or Master degree (MBA)
- 5+ years of professional experience in procurement or related sectors with according responsibility
- Professional experience in procurement on tactical as well as strategic level
- Good practice in professional business relationship with suppliers
- Excellent commercial and outstanding negotiation skills, ability to work independently, excellent communication, good judgement and persuasive power
- Intercultural and international competence
- Teamplayer with high seniority
- Stakeholder- and Relationship Management
- Assertiveness and decision-making ability
- English fluent, German at least intermediate
