

Together we can raise
healthcare to new levels –
that's worth working for!

Are you ready to go further?

Join our team as **Manager (f/m/d) Supply Chain Control**

Full Time

📍 Heidenheim an der Brenz, Deutschland

📄 With Professional Experience 11/21/19

At **HARTMANN** you get to make a difference. Our healthcare products and solutions make an impact in millions of people's lives around the world on a daily basis – in hospitals, in clinics, and at home. We believe that health can empower people to make a positive difference in the world, and this is something worth going further for.

Your area of responsibility:

- Ensure transparency about the current situation of inventories and cost in our Supply Chain globally
- Support the definition of future setup and implementation of necessary changes
- Support the definition of standard reporting and performance measurement standards (e.g. KPIs, cost to serve model) in collaboration with stakeholders and colleagues in Supply Chain
- Generates reports and analysis out of SAP BW and Excel for decision making and optimization initiatives
- Support definition and mapping of Supply Chain initiatives from a financial perspective in alignment with stakeholders e.g. financial flows, management pricing model, inventory management, etc.
- Implement a sustainable process for the collection, processing and interpretation of information
- Consolidation and analysis of global supply chain inputs for forecast and budget
- Reporting and presentation for management

What we look for:

- University degree in business administration or industrial engineering (preferably with major in Supply Chain Management)
- Several years of professional experience in the field of Business Analysis or Supply Chain of an international manufacturing company
- Knowledge of supply chain, legal and management transfer pricing, inventory valuation
- Team competence, independent with a result-oriented approach
- Strong analytical and communication skills
- High standard of ethics, integrity and confidentiality
- Excellent SAP BW, MS Excel and Powerpoint skills
- English and German language skills and ability to work in multi-cultural & multi-lingual environment

Benefits:

- Stable and continuously growing company with over 200 years of company history
- A motivated and helpful team, which is fully behind our meaningful products
- Reconciling work and family life
- Flexible working hours and attractive remuneration
- Occupational pension provision
- Comprehensive health management with massage and sports facilities
- Individual training
- Extended infrastructure (parking lot, canteen etc.)
