Level up!

Nintendo aims to deliver unique, intuitive entertainment experiences for everyone, manufacturing and marketing video game devices such as the Nintendo Switch™ family of systems, developing and operating applications for smart devices, and collaborating with partners on a range of other entertainment initiatives like visual content and theme parks.

At Nintendo, we bring together employees with a wide range of characteristics and work together towards a common goal – to put smiles on the faces of people all over the world.

Tasks

- Tender management, supplier selection and price and commercial negotiations
- Purchase order entry and coordination of delivery dates
- Claims management and import documentation handling
- Procurement of merchandise items, give-aways and MyNintendo store items
- Purchasing market research for merchandise items (desk research and on-site visits of suppliers and fairs)
- Close cooperation with various departments including Marketing, Artwork, MyNintendo Store, Supply Chain Management and Operations

Requirements

- Commercial education and experience in the field of purchasing or studies in business administration with focus on purchasing
- Very good written and spoken German and English language skills
- Good knowledge of MS Office
- Experience with SAP MM
- Strong negotiation skills and strong customer focus
- Happy to work with people in an international work environment
- Organisational skills, reliability and ability to work in a team

Are you interested? We look forward to receiving your application, including your earliest possible starting date and salary expectation.
