

In more than 200 years of existence, JLL has become one of the world's leading real estate consulting and services companies. Above all by the energy of the people who work for us. By ideas for the market of tomorrow. The courage to go new ways - together with a worldwide-networked team and international customers. We value the expertise of our employees, emphasize their freedom of action and actively promote the individual career.

For our **Corporate Procurement in Frankfurt** we are currently looking for you as

Sourcing Cluster Leader Northern Europe (f/m)

Your tasks

- Leading the Category Management & Sourcing activities locally, internally (local stakeholder) as well as externally (local supply partners)
- Drive local and client related sourcing projects in collaboration with EMEA category management teams as well as leading EMEA-wide sourcing projects
- Develop effective relationships with internal stakeholders at all levels in order to support the business with turning operational requirements into effective supplier solutions
- Responsible for local category strategy execution and supplier performance management
- Responsible for delivery of financial targets in line with the business expectations and market opportunities
- Support Category Managers in sharpening their strategies by feeding in local stakeholder requirements as well as local supply market expertise
- Lead and develop a team of sourcing specialists to grow people and future talents

Your skills

- Master degree, major in organizational development or a related field
- Minimum 5 years of experience in similar position, at least 3 years on international level
- Proven experience working with suppliers across the EMEA region
- Deep understanding of sourcing processes and commercial supplier environment
- Fluent in English and German – written and spoken
- Analytical / conceptual / strong communication and presentation skills
- Self-motivated and independently working as a part of a team
- Strong interpersonal skills and the ability to interface with all levels

Our offer

- Creative freedom for tasks and projects
- Daily access to international markets
- Active exchange in the global industry network
- Flat hierarchies for advancing projects smoothly
- Working together at eye level
- Space for personal growth, not only for work
- Acknowledgement of achievements - also monetary benefits
- The opportunity to enhance your skills and advance your career locally as well as regionally

Join JLL?

We look forward to receiving your application online via our **job portal**, stating your earliest possible starting date and your salary expectations. Please understand that paper applications cannot be accepted and, due to reasons of data protection, will be destroyed.
